PERMIT CONDITIONS ON ACCESS (to be filled out by natural resources office only)			
Standard Conditions on Access			
<ul style="list-style-type: none"> • All Tribal codes and ordinances must be adhered to when completing access activities unless a specific exemption has been issued for the project activity. • All work must be completed using best management practices (BMPs). • All equipment (including any materials used for crossing water resources) must be cleaned prior to entering the Reservation to eliminate the spread of invasive species. Please contact our Invasive Species Coordinator at 715-979-1071 or invasives@badriver-nsn.gov to set up a time for equipment to be inspected prior to it being unloaded at the site. Please see attached Equipment Inspection Guidance for details. • Remove all waste, construction, or other non-natural materials introduced or resulting from the activity upon completion of the project. • All chemical spills should be isolated and cleaned up following approved BMPs. All equipment should be fueled off-site to prevent accidental spills. The BRNRD should be notified within two hours of any spill occurring. • If any additional activity needs to be performed once permittee is onsite (other than that specifically listed on this access permit) then the permittee must notify the BRNRD and postpone any additional work until approval has been issued. • Questions from the community should be referred to the BRNRD. • All geographic information generated or referenced throughout any work done on Reservation needs to be submitted to Bad River Natural Resources Department within 30 days of completion. This includes, but is not limited to, all maps, reports, datasets, and spatial analyses. All geospatial data must be submitted in a format compatible with ArcGIS version 10.3.1, with supporting metadata documentation. Reports, data, or analyses generated from the visit must be submitted to the BRNRD within 30 calendar days of completing the survey work, which includes documented locations of any United States Indian Service (USIS) monuments. • This permit is for lands owned/controlled by the Bad River Band. The permittee is responsible for acquiring permissions to lands they wish to access not owned/controlled by the Bad River Band. Lands identified as 			

THIS PERMIT MUST BE DISPLAYED ON THE DASHBOARD OF YOUR VEHICLE AT ALL TIMES

Bad River Natural Resources Department Access Permit

Trust ownership should always be reviewed by the Bureau of Indian Affairs Great Lakes Agency, Ashland, Wisconsin to identify Tribal and individual ownership.

Special Conditions on Access

- White birch and cedar are protected species and may not be cut (including branches) without first receiving approval from the Department.
