To whom it may concern,

As we continue to monitor Coronavirus (COVID-19) developments closely, the health and well-being of our employees, families and community members is our greatest concern.

In this time of hardship, the Bad River Housing Authority (BRHA) will be cutting back on non-essential services such as modernization work, painting, cabinet repairs, flooring, etc. The BRHA operations will continue to assist with Emergency Work Orders during this pandemic; however, our physical location is closed to the public until further notice.

- Housing Managers will temporarily suspend home visits. It is important to update your composition if you had changes within your household, if you are laid off, or have had changes to your employment please email.
