Bad River Transit Update on Bus Schedule EFFECTIVE MONDAY MARCH 23rd 2020

As everyone is aware of the COVID19 outbreak. The Bad River Tribe is monitoring this very closely, steps already have been taken to keep the spread of this disease to a minimum, with that, The Bad River Transit is an essential part of the Bad River Tribes organization. Transit will keep providing transportation to the community as best we can however there will be many changes in the way that is done.

- Transportation will be on an on call type service call 715-292-1108 or 715-292-1109 , to schedule your ride, please call well enough in advance so that the driver can get you on the list for pick up, we will try and get as many as we can at one time and we will be using alternate seating on the bus to avoid close contact with one another, we will have for the most part two buses per shift, one will be on call for overflow transport
- Service will run from 7AM until 10PM during the week
- Weekends are still being evaluated and will be put out at a later date
- We will still make trips to Walmart however the wait time may be longer than normal for a ride back, if going at night please keep in mind the 10PM end time for the bus.
- Please take any precautions seriously as this is a very serious situation we are facing.

We don't know how long this will last but as we move forward, we will do what we can to keep providing this service to our community, but keep in mind changes in schedule is possible at any time, working together we will pull through. Stay Safe, Stay Healthy.

Prayers for our Community
