### **Bad River Statement on Prevention of COVID – 19 within the Reservation**

In a decision May 13, 2020 the State Supreme Court decided almost all of the State's Safer at Home Order, Executive Order 28, is not enforceable. In response Michael Wiggins Jr., Bad River Chairman, issued the following statement:

“The Bad River Tribal Council closed the gaming facility and limited other activities in Odanah, WI with the outcome of protecting our tribal community and surrounding areas.

Regardless of the State Supreme Court decision, the Bad River Band of Lake Superior Chippewa will continue to follow the “Safer at Home” guidance with the outcome of protecting the safety and health of the community while relying closely on the guidance of our public health and medical staff.

We encourage other governments and municipalities or the broader public to voluntarily follow the safer at home guidelines to ensure the long term safety and health of our communities.”
