## BAD RIVER HOUSING AUTHORITY COMMUNITY NOTICE FOR PUBLIC COMMENT IHBG CARES ACT TINY HOME BUILD

The purpose is to allow for community feedback of any questions or concerns related to the Tiny Home build in Aspen Acres. The Bad River Housing Authority intends to build 5 tiny home structures to prepare, prevent and respond to COVID-19 in the Bad River community.

The plan of this project includes building 5 tiny homes on scattered sites, that are pre-developed in the Aspen Acres community. This project will include building tiny homes as an isolation location during COVID-19. These tiny homes are intended to address overcrowding. The intent is to eliminate the spread of COVID-19 to community members and family by staying in an isolated location.
