BAD RIVER TRIBAL COUNCIL ISSUES A SHELTER AT HOME ORDER

On September 8, 2020, the Bad River Health & Wellness Center confirmed a positive COVID-19 Tribal Member within the community traced to an off reservation gathering. There has been an additional Covid-19 positive test from a person residing within the Bad River Reservation. The Bad River Tribal Council has determined that a shelter at home order is in the best interests of the Band and its members and is necessary to protect public health and safety,

The Bad River Tribal Council does hereby order all persons currently living on the Bad River Reservation to stay home or in their place of residence except to engage in necessary activities and work, as described below, beginning on Thursday, September 10, 2020 at 8:00am and until further notice.

Shelter at Home guidance for activities deemed necessary:

- Leave their home or residence and relocate to a safe alternative home or residence, if their homes or residences are unsafe or become unsafe, including homes and residences in which persons have suffered from or are at risk of domestic violence, or in which safety, sanitation or essential operations cannot be maintained;
- Engage in activities essential for the health and safety of family, household members and pets, including seeking medical or behavioral health or emergency services and obtaining medical supplies or medication;
- Obtain necessary supplies and services for family or household members and pets, such as groceries, food, and supplies for household consumption and use; laundry services; supplies and equipment needed to work from home; and products necessary to maintain the safety, sanitation, and essential maintenance of the homes, residences, and personally-owned vehicles;
- Care for a family member, friend, or pet in another household or residence, and to transport a family member, friend, or pet for essential health and safety activities, and to obtain necessary supplies and services;
- Engage in outdoor exercise activities, such as walking, hiking, running, or biking, but only if appropriate social distancing practices are used;
- Engage in ceremonial or religious activities;
- Gather food and medicines for traditional or agricultural purposes;
- Travel to exempted activities and travel to return to a home or place of residence; and
- Travel to and from their home or residence, place of work, and child care location, if their work duties cannot be performed at their home or residence and their work duties have been designated as essential by the Band, by any other governmental entity, or by an employer;

People at high risk of severe illness from COVID-19, such as elderly people and those with underlying health conditions, are strongly urged to stay in their home or residence, except as necessary to seek medical care and obtain other necessities of life, even when the terms of this order would allow them to leave their home or residence.

The Bad River Tribal Council encourages non-members to avoid travel to the Bad River reservation for any non-essential purposes.

In the interests of health and safety, the Tribal Council will use available means to enforce any mandatory 14-day self-isolation and/or quarantine orders issued by the Bad River Health Department under Chapter 146 - Disorderly Conduct of the Tribal Court Code.
