

SATURDAY SEPTEMBER 12, 2020

---

**TO:** BAD RIVER COMMUNITY

**FROM:** PUBLIC HEALTH: PF AND TGL

**SUBJECT:** COVID-19 MASS CLINIC TESTING

---

Today at the Bad River Health and Wellness Center, testing ran from 10-4. **We want to thank the community that came out to get tested today!**

Over 200 individuals were tested

2 additional positives were identified

At this point, COVID-19 is community spread

Contact tracing was conducted (there was some lack of cooperation, so please utilize the following bullet points in order to best protect yourself and your family).

We want to remind everyone that the best way to protect yourself and your family are to:

**Follow the Shelter in Place order**

Social Distance

Wear a Mask

Wash Your Hands Frequently

Avoid Unnecessary Travel
