Bad River Health and Wellness Center reports NO new positive cases of COVID-19 on 9/22/20

What is a Close/Direct Contact?

Close contact is defined by CDC as someone who was within 6 feet of an infected person for at least 15 minutes starting from **2 days before illness onset** or, **for asymptomatic clients, 2 days prior to positive specimen collection** until the time the patient is isolated.

What are the CDC guidelines for cleaning home during COVID-19?

- Wear reusable or disposable gloves for routine cleaning and disinfection.
- Clean surfaces using soap and water, then use disinfectant.
- Clean or launder items according to the manufacturer's instructions.
- Wash your hands often with soap and water for 20 seconds.
