REMINDERS:

We can work together to help slow the spread of COVID-19. If you have been exposed to someone with COVID-19, we will call you and ask you to self-quarantine at home for 14 days from the day that you were exposed. **Contact tracing is essential to slowing the spread of #COVID19.** If you have COVID-19, public health workers won't reveal your identity to your close contacts, even if they ask. Help us slow the spread of COVID-19 by being complete in the list of individuals you have been in contact with and places you have been. If you have questions, you can always contact Bad River Public Health.
