If you are pregnant, take steps to protect yourself from COVID-19
• Limit interactions with people who might have COVID-19, including people in your household.
• When you do interact with people outside your household, wear a mask and stay at least six feet apart.
• Wash your hands often.
• Go to all your prenatal care appointments.
• Get your recommended vaccines.
• Make sure you have at least a 30-day supply of any medicines you take.
• Call your healthcare provider if you get sick, think you may be depressed, or have questions related to your pregnancy.
• If you don’t have a healthcare provider, contact your nearest community health center or health department.
• Seek care immediately if you have a medical emergency

REMEMBER TO GET YOUR FLU SHOT!
