

Friday 02/19/21 COVID Vaccine Clinic Rescheduled

Due to the unfortunate weather that is hitting our southern states, there are unexpected delays in the COVID-19 vaccine supplies that were supposed to arrive this week. Because of this, the COVID vaccine clinic that was scheduled for 02/19/21 is **postponed until Friday 02/26/21**. Your appointment times will remain the same, we will just see you a week later.

Please call 715-682-7133 with any questions.

Thank you for your understanding
