COVID-19 Daily Update

February 18, 2021 9:00 a.m.

Updated Numbers

Total Tested at BRHWC:	6863
Total Active Positive Cases in Bad River	0
Active Monitoring (due to Isolation or Quarantine)	0
Deaths of Community Members	2

Bad River Health and Wellness Center reports NO new positive cases of COVID-19 on 02/17/2021. These numbers are up to date as of 9:00 a.m. on 02/18/2021.

To date, there have been a total of 177 positive cases in Bad River. So far we have 176 recovered cases. One community member was not living in our county at the time of illness and death which is why you see the discrepancy in numbers.

PROTECT YOUR HOME FROM COVID-19

When you leave your house for work, to run errands, or for any other reason, you have a chance of being exposed to COVID-19 and bringing it back to your home.

The chances of being exposed increase when you

- **Have close contact with other people (closer than 6 feet)**
- **Spend more time with other people**
- **Spend time in crowds (more than 10 people)**
- **Spend time in indoor spaces, particularly if poorly ventilated**

Keep COVID-19 outside your home! When around people who don't live in your home, wear a mask, wash your hands, and stay at least 6 feet apart to protect yourself and prevent bringing COVID-19 into your home.

If you are feeling symptomatic, even after you have had the vaccine, please call the clinic to speak to a provider.

Stay Safe and Be Well
