### Updated Information:

<b>Total Number</b> of Vaccines Given	288 1 <sup>st</sup> Doses 222 Fully Vaccinated (over 730 total given)
Next Vaccination Clinics	02/26/21
What tier will we be vaccinating	Completing Tier 1C (55 and older) Boosters/2 <sup>nd</sup> Doses

**A staff member from the clinic will call you to schedule your appointment.**

If you are age 55 years or older and want a COVID-19 Vaccine but have not received a call or had an appointment yet. Please call the Bad River Health and Wellness Center and ask to speak with Sue Houle or Gena Jensen to schedule your appointment.

### COVID-19 Vaccine Facts:

The vaccines may cause side effects in some people, like sore muscles, feeling tired, or mild fever. These reactions mean the vaccine is working to help teach your body how to fight COVID-19 if you are exposed. For most people, these side effects will last no longer than a day or two.

**If you have questions, you may contact:**

**Randy Samuelson, Clinic Administrator**  
**Robert Houle, Assistant Clinic Administrator**
