COVID-19 Daily Update

March 8, 2021 10:30 a.m.

Updated Numbers

| | |
|---|------|
| Total Tested at BRHWC: | 7393 |
| Total Active Positive Cases in Bad River | 0 |
| Active Monitoring (due to Isolation or Quarantine) | 0 |
| Deaths of Community Members | 3 |

Bad River Health and Wellness Center reports NO new positive cases of COVID-19 from 03/05/2021 to 03/07/2021. These numbers are up to date as of 10:30 a.m. on 03/08/2021.

To date, there have been a total of 178 positive cases in Bad River. So far we have 176 recovered cases. One community member was not living in our county at the time of illness and death which is why you see the discrepancy in numbers.

COVID-19 Readiness!

There are steps you can take now to get ready if an outbreak occurs in your community:

Make a household plan – learn how to prepare and to take quick action if someone gets sick.

Older adults and people with chronic medical conditions are at greater risk, take extra steps to protect them.

Think about what you will do if or there are changes to your work schedule.

Remember to always practice good health habits, such as frequently washing hands with soap and water, staying home when sick and covering coughs and sneezes.

If you are experiencing any COVID-19 symptoms, or are concerned you may have this virus, please call the clinic to begin the screening/testing process.

Stay Safe and Be Well
