**Even though not all of us risk a severe case of the virus, we all risk getting the virus and spreading it to others – maybe without realizing we're sick.**

It is important that we:

FOLLOW state and local guidelines,

TAKE extra precautions if we are at higher risk

WASH our hands frequently.

STAY six feet from others when we can;

WEAR face coverings in public

Receive your Vaccine

**These small actions will make a big difference.**

**Stay Safe and Be Well**
