**Bad River Health and Wellness Center reports FOUR new positive cases of COVID-19 on 4/29/2021. These numbers are up to date as of 3:30 p.m. on 04/29/2021.**

To date, there have been a total of **188** positive cases in Bad River. **So far we have 186 recovered cases.** One community member was not living in our county at the time of illness and death which is why you see the discrepancy in numbers.

**COVID-19: What Symptoms to Watch For**

The most common symptoms of COVID-19 are:

- Fever
- Cough
- Headaches
- Fatigue
- Muscle or body aches
- Loss of taste or smell
- Sore throat
- Nausea
- Diarrhea

**Other symptoms are signs of serious illness. If someone has trouble breathing, chest pain or pressure, or difficulty staying awake, get medical care immediately.**
