What tier will we be vaccinating

Prime (1st doses) and Boosters of any Bad River Tribal member over 18, or resident of Ashland County With underlying health conditions.

We know this message has been out there before but we cannot stress the importance of getting the COVID Vaccine enough!

If you are a Bad River Tribal Member 18 years of age or older, or a resident of Ashland County 18 years of age or older with underlying health conditions, you may call the clinic to set up an appointment to receive your COVID-19 Vaccine. The clinic does have certain dates and times that the vaccine will be offered. You can call **Sue Houle at 715-682-7133 ext. 4343 or **Gena Jensen at 715-682-7133 ext.4342** to schedule your appointment. It is very important that if you make an appointment, you are able to keep it. Please remember that when scheduling.**

COVID-19 Vaccine Facts:

The vaccines may cause side effects in some people, like sore muscles, feeling tired, or mild fever. These reactions mean the vaccine is working to help teach your body how to fight COVID-19 if you are exposed. For most people, these side effects will last no longer than a day or two.

If you have questions, you may contact:

Randy Samuelson, Clinic Administrator
Robert Houle, Assistant Clinic Administrator
