**Bad River Tribal Council Approves a  
Pandemic Response Incentive Program**

**\$1,000.00 Per Eligible Tribal Member**

All Bad River Tribal Members aged 5 years old and up, living in the Bad River Health & Wellness Center Service Area (Ashland & Iron Counties), are eligible for a \$1,000.00 COVID-19 vaccine incentive, retroactive to when COVID-19 vaccines began through future vaccines until April 1, 2022.

All Bad River Tribal Members in the service area must provide documentation of being fully vaccinated from the Bad River Health & Wellness Center or other health care centers.

Eligible Bad River Tribal Members cannot receive the cash incentive until they are fully vaccinated, and no payments will be administered to the deceased.

Eligible Bad River Tribal Members must provide enrollment verification and proof of residency within the service area.

COVID-19 vaccine incentive payments are expected to be released beginning January 15, 2022.
