## MEMO Re: Covid vaccination incentive

To: ALL Bad River Tribal Members living in Ashland and Iron Counties  
From: Bad River Health and Wellness Center  
Date: December 10, 2021  
Subject: **COVID vaccine incentive program application and instructions**

---

On November 23, 2021, the Bad River Tribal Council approved a COVID-19 Vaccine Incentive Program of \$1,000 for all eligible Tribal Members living in the Bad River Health & Wellness service area, (Ashland and Iron Counties).

All Bad River Tribal Members aged 5 years and up are eligible for the incentive. An application and appropriate documentation must be submitted to the Bad River Health & Wellness Center to receive the incentive. Attached is the application to be used. Every applicant must have a completed application.

### Instructions for documentation with application

- **Fill out the application completely** and return to the receptionist at the clinic administration reception area desk. Applications can be picked up at the Bad River Health and Wellness Center. For questions call **715-682-7137**.
- Provide documentation of being **fully vaccinated** from the Bad River Health and Wellness Center or other health care center. Fully vaccinated is completion of the COVID primary series (1<sup>st</sup> and 2<sup>nd</sup> vaccinations, no booster). Valid documentation is a copy of the **COVID-19 Vaccination Record Card provided by the CDC** and completed by vaccinator/other health care professional. Another form of valid documentation is a copy of your vaccination record from the **Wisconsin Immunization Registry (WIR)**.

Either is acceptable. If you do not have a COVID-19 card and are unable to access records off the WIR, staff at the registration area can assist you.

- Eligible Tribal Members must provide **enrollment verification** of tribal membership.
- Eligible Tribal Members must provide a document **proving residency in Ashland or Iron County**. Examples of proof of residency include utility bills, cable or satellite bills, Superior Connections bills, medical bills, or other forms of documentation. Driver license and tribal ID's are not used because addresses are often inaccurate. A family or married couple can use the same document for everyone. Make a copy for each application.
- If you are homeless, bring a letter from the person you are currently living with or a homeless shelter. The clinic address can be used and the check picked up here.
