COVID-19 NEWS

- We continue to encourage all community members to stay vigilant and complete your vaccine series for COVID-19.
- If you are sick: PLEASE CALL FIRST to schedule an appointment or to obtain home testing kits.
- COVID-19 home tests are available, please call the clinic @ 715-682-7133.
- Next COVID-19 Clinic is on 1/19/22 & 1/20/22 - 9 am until NOON & 2 pm until 5 pm.
- Recipients of Moderna or Pfizer as their primary series (1st and 2nd shots) must wait 5 months after the first shot (primary series) to get the booster.
- COVID-19 rates are currently high in the state. Please continue to be patient with us as our clinic is currently understaffed, we will try and help you as quickly as we possibly can.

OMNICRON- Don't Ignore Symptoms

The Omnicron variant is now the prevalent strain of COVID-19. It can present with mild symptoms, easily dismissed as allergies or common cold. Not everyone with COVID-19 has these symptoms.

You may have COVID-19 if you have any of these symptoms:

- Scratchy sore throat
- Runny nose
- Muscle or body aches
- Chills or night sweats
- Cough (new onset or worsening of cough)
- Shortness of breath
- Fever
- Headache
- New loss of taste or smell

If you have any questions, please contact:

Randy Samuelson, Clinic Administrator: r.samuelson@badriverhwc.com

Robert Houle, Assistant Clinic Administrator: r.houle@badriverhwc.com

Respectfully submitted,

Michele Doster, MSN.Ed, RN
