COVID-19 NEWS

- We continue to encourage all community members to stay vigilant and complete your vaccine series for COVID-19.
- If you are sick: PLEASE CALL FIRST to schedule an appointment or to obtain home testing kits.
- COVID-19 home tests are available, please call the clinic @ 715-682-7133.
- Next COVID-19 Clinic is on 2/2/22 - 9 am until NOON & 2 pm until 5 pm.
- Recipients of Moderna or Pfizer as their primary series (1st and 2nd shots) must wait 5 months after the first shot (primary series) to get the booster.
- COVID-19 rates are still high in the state. Please continue to be patient with us as our clinic is currently understaffed, we will try and help you as quickly as possible.
- COVID-19 Booster Shots Prevent Omicron Infection, Reduce Risk Of Hospitalization, According to CDC Data. Studies have shown that booster doses are 90% effective against hospitalization with Omicron, boosters reduced the likelihood of a visit to an emergency department or urgent care clinic and were most effective against infection and death among Americans aged 50 and older.
- **Check your COVID-19 & Influenza vaccine status on the Wisconsin Immunization Registry: <https://www.dhfs.wisconsin.gov/immunization>**

OMNICRON- Don't Ignore Symptoms

The Omnicron variant is now the prevalent strain of COVID-19. It can present with mild symptoms, easily dismissed as allergies or common cold. Not everyone with COVID-19 has these symptoms.

You may have COVID-19 if you have any of these symptoms:

- Scratchy sore throat
- Runny nose
- Muscle or body aches
- Chills or night sweats
- Cough (new onset or worsening of cough)
- Shortness of breath
- Fever
- Headache
- New loss of taste or smell

If you have any questions, please contact:

Randy Samuelson, Clinic Administrator: r.samuelson@badriverhwc.com
Robert Houle, Assistant Clinic Administrator: r.houle@badriverhwc.com
