**Summary:** The Head Start/Early Head Start Nurse/Health Manager will develop and utilize an interdisciplinary plan for prenatal women, infants, and children ages birth to five years, and their families receiving services at the Bad River Head Start/Early Head Start. The Head Start/Early Head Start Nurse/Health Manager will comply with all Head Start Performance Standards, State Licensing regulations, and CACFP regulations. Must be willing to incorporate the Ojibwe 7 teachings into the daily operation of the program.

**Essential Duties and Responsibilities** include the following. Other duties may be assigned.

- Conduct daily rounds in Head Start/Early Head Start classrooms.
- Work with Head Start/Early Head Start employees, parents, and children to provide prenatal care coordination to pregnant women and infants in collaboration with other programs serving prenatal moms, infants, toddlers, and pre-school age children, to include identifying needs, home, and clinic visits,
- Providing support in several areas including social, physical, emotional
- Identify risks and concerns and develop a plan of care in collaboration with families.
- Participate in monthly assessment, refine and utilize referral systems with an emphasis on tracking follow-up
- Provide case management to include appropriate documentation of assessments, risks, care plans, activities, referrals, and outcomes using the format approved by the Head Start/Early Head Start Program
- Assure comprehensive well-child exams for children on the project from birth to age five
- Collect and enter statistical data in the Child Plus Data System within 48 hours of obtaining the data
- Monitor immunization status of all children in the program and ensure immunizations are up to date
- Use the Wisconsin Immunization Registry (WIR) to track and update all immunization activities
- Participate in management meetings to address project improvement, accomplishments, challenges, concerns, and plans for project activities
- Work with other programs to assess infants as necessary, including the WIC program, Family Foundations, Birth to Three, and any other programs assisting young families.
- Must be able to incorporate covid safety practices.
- Must be able to monitor the CACFP regulations and support kitchen staff.
- Provide training and guidance to staff, parents, and community members on a variety of pertinent topics in the areas of health and nutrition.
- Excellent communication skills for working with parents, co-workers, and children.
- Promote the use of and speak Ojibwemowin as proficiency level allows throughout the delivery of all Head Start/Early Head Start services for children and families.
