COVID-19 NEWS

- If you are sick: PLEASE CALL FIRST to schedule an appointment or to obtain home testing kits.
- The Centers for Disease Control and Prevention recommends testing for COVID-19:
 - ✓ If you have COVID-19 symptoms
 - ✓ If you have known or suspected close contact with someone who has COVID-19
 - ✓ Before or after travel
- COVID-19 home tests are available, please call the clinic @ 715-682-7133.
- Recipients of Moderna or Pfizer as their primary series (1st and 2nd shots) must wait 5 months after the first shot (primary series) to get the booster.
- Covid vaccine clinics will continue throughout March. The Covid-19 vaccines for 6 months through 4 years have been delayed. We will provide an update when available.
- **Check your COVID-19 & Influenza vaccine status on the Wisconsin Immunization Registry: <https://www.dhfs.wisconsin.gov/immunization>**
- According to the CDC:
 - Masking is a critical health tool for keeping our community safe
 - Wear the most protective mask that fits you well
 - Wearing a well-fitted mask along with vaccination, self-testing, and physical distancing helps protect you and others by reducing the chance of spreading COVID-19

OMNICRON- Don't Ignore Symptoms

The Omnicron variant is now the prevalent strain of COVID-19. It can present with mild symptoms, easily dismissed as allergies or common cold. Not everyone with COVID-19 has these symptoms.

You may have COVID-19 if you have any of these symptoms:

- Scratchy sore throat
- Runny nose
- Muscle or body aches
- Chills or night sweats
- Cough (new onset or worsening of cough)
- Shortness of breath
- Fever/Headache
- New loss of taste or smell

Vaccination Record Card Fraud

To avoid fraud with CDC COVID-19 Vaccination Record cards, do **not** buy fake cards/make your own cards or fill in blank cards with false information.

Offers to purchase CDC COVID-19 Vaccination Record cards are scams. Valid proof of COVID-19 vaccination can only be provided to individuals by legitimate providers administering vaccines.

Photos of CDC COVID-19 Vaccination record cards should not be shared on social media. Posting content that includes your date of birth, healthcare details, or other personally identifiable information can be used to steal your identity.

To report suspicious activity involving fake CDC COVID-19 Vaccination Record cards, please call Fraud Alert: COVID-19 Scams at 1-800-447-8477.
