CHIEF BLACKBIRD CENTER

P.O. BOX 39 ° ODANAH, WISCONSIN 54861

****MASK MANDATE UPDATE****

November 10, 2022

Per Chairman Mike Wiggins Jr., effective immediately, guidance has been updated to reflect requirements regarding face masks for tribal employees.

Effective immediately, *except as outlined below*, tribal employees and other individuals not experiencing symptoms of respiratory illness may continue to wear masks but are not required to do so while in tribal facilities.

Due to recommended medical CDC requirements for health care standards, tribal employees and patients of the Bad River Clinic are required to continue wearing masks indoors until further notice.

The Bad River Tribe will continue to make masks available to any individual requesting one. Tribal employees who have concerns regarding face-covering compliance are encouraged to discuss their concerns with their supervisor or Human Resources. Tribal employees and supervisors are prohibited from discriminating against individuals who choose to wear face-covering or those who choose not to wear a face covering regardless of the reason.

If you have any questions regarding the mask mandate update you may contact their Department Head and/or Human Resources.
