Dear Bad River Tribal Employees,

The Bad River Tribal Council has approved the official end of the Public Health State of Emergency in relation to the 2020 Covid-19 pandemic. Furthermore, we would like to inform you that Emergency Sick Pay (ESP) will also be discontinued. This momentous decision will be effective as of May 11, 2023.

With this announcement, we are excited to move forward, marking a significant milestone in our collective efforts to combat the pandemic and prioritize the well-being of our community. The dedication, resilience, and cooperation demonstrated by our employees and community during these challenging times have been truly commendable.

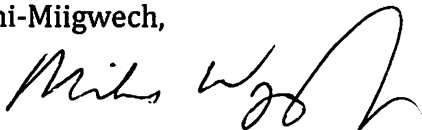

As we transition away from the State of Emergency, it is important to remain vigilant and continue to adhere to any ongoing guidelines or protocols recommended by health authorities. While the end of the State of Emergency signifies a positive step, we must remain mindful of the possibility of future challenges.

We extend our heartfelt appreciation to all employees for your unwavering commitment to the health and safety of our community. Your cooperation, adaptability, and support have been instrumental in navigating this extraordinary period.

If you have any questions or require further clarification, please do not hesitate to reach out to your Department Heads or Human Resources.
