Re: Community Questions

The Conservation Enforcement Section is giving the community a chance to ask questions that they may have had and not been answered. Questions can be about trespass, types of land that are within the reservation boundaries, commercial fishing, home use fishing, hunting, and gathering, wolf hunts, ect. The Enforcement section will pool these questions and answer them live on our portion of the Virtual Open House on April 6th from 2:00-3:00pm. We are excited and awaiting all your questions. You can email us your questions at:

Brad - chiefwarden@badriver-nsn.gov

Patrick - BRNRwarden@badriver-nsn.gov

Pierce - warden@badriver-nsn.gov

Tim - mnrddwarden@badriver-nsn.gov

We can also arrange pick up of the sheet if you give us a call:

Brad Bigboy 715-292-7822

Patrick Conners 715-292-7256

Pierce Maday 715-292-2234
