Summary: The Assistant Teacher will assist in the implementation of the Head Start Performance Standards.

Essential Duties and Responsibilities include the following.

- Will assist the Teaching staff in implementing the classroom curriculum. Will follow lesson plans for daily activities. Will assist in the preparation of materials. Will assist when requested to evaluate activity as necessary. Will assist the Teacher in documenting and maintaining accurate and up-to-date records and reports, for example, the child's progress report and/or daily anecdotal notes. Will assist in the implementation and strengthening of the locally developed cultural units and activities throughout the school year. Will instruct, supervise, and ensure safety measures are taken with the children in the classroom, on the playground, and clean the classroom. Will promote the participation of Head Start parents as resources, personnel, and/or volunteer in the Head Start Program. Will attend meetings and required training as requested, i.e., staff. Promote the use of and speaking Ojibwemowin as proficiency level allows in the classroom and throughout the delivery of all Head Start services for children and families.

Subject to layoff when school is not in session.

A.) Curriculum Area

1. Will assist the teacher in providing children with a week of classroom orientation.
2. Will assist the teacher with daily lesson plans, observations, monitor Individual Education Plan (IEP), and anecdotal notes.
3. Maintain a routine-daily schedule, allowing for flexibility.
4. Will assist the teacher with the implementation of age-appropriate materials within the lesson plans as well as cultural activities. Assistants will participate in all activities sponsored by Host, i.e. special events, setting up, and cleaning up.
5. Maintain and update the classroom environment that encourages development among children.
 - An environment that promotes acceptance and respect of gender.
 - An environment that is inclusive for children with disabilities.
 - An environment that is safe (See Safety Area)

B.) Evaluation Area

1. Will assist the teacher with an individual assessment of all students.
2. Will assist the teacher with screening all children utilizing the Ages and Stages within 45 days of enrollment.
3. Must understand an Individual Education Plan (IEP).
4. Will assist the teacher with services in accordance with IEP.

C.) Health Area

1. Will assist the teacher to create a family partnership to ensure that each child has a medical home.
2. Observe and document each child's physical appearance to detect any signs of injuries or illness. Including any changes in emotions and behaviors.
3. Will assist teachers with parents on all health and development procedures administrator.
4. Allow and enable children to independently utilize child-size bathroom facilities.
5. If deemed necessary, the classroom Teacher and/or ED Manager will assign Assist Teacher to take learning activities to a child with a short-term injury or other physical condition that prevent the child from participating in the classroom setting.
6. The Teacher is responsible for the administration and handling of medication.

D.) Safety Area

1. All staff members will receive First Aide training, which is kept current on an annual basis.
2. All classrooms will keep a well-equipped First Aid Kit and restock when needed.
3. Will keep a "Bio Quick-n-Clean" kit in each classroom and use it when necessary.
4. Staff, volunteers, and children must wash their hands with soap and running water at appropriate times.
5. Assist Teachers will be instructed by Teachers on the supervision of outdoor and indoor play areas among staff to increase safety for children.
6. Will consult with families immediately when problems are suspected or identified.
7. Assist Teacher will implement the procedures of notifying parents in the event of an emergency involving their child will be established in collaboration with the ED Manager and Health Coordinator.
8. Assistant Teacher will follow established procedures for handling cases of suspected or known child abuse and neglect that are in compliance with applicable Federal, State, and Tribal laws.
9. Staff will know how to work a fire extinguisher.

E.) Nutrition Area

1. Assistant Teacher will encourage children to eat or taste food, without force.

F.) Parent Participation Area

1. To encourage parents to become integrally involved in the development of the programs curriculum.
2. To encourage participation in staff-parent conferences and home visits to discuss their child's development and education.
3. Will consult with parents immediately when problems are suspected or identified upon consultation with the Teacher and ED Manager.
4. Will assist the teacher in notifying parents of opportunities for training.
5. Will assist the teacher in sending home monthly calendars.
6. Will assist teachers in developing and implementing Parent classroom committees.
