Bad River Band of Lake Superior Tribe of Chippewa Indians is seeking proposals through solicitation for Three (3) temporary bridges, 25, 30, and 35 feet in length. Bridges should all have at least 80,000 pound capacity rating certified. Bridges shall be iron frame with wood decking and hardware included.

Proposals are required to contain the following information: Cost of each bridge (with hardware) and approach mats priced out separately, delivery, and total cost.

The Bad River Band of Lake Superior Tribe of Chippewa Indians is a federally recognized Indian Tribe organized under Section 16 of the Indian Reorganization Act of 1934, U.S.C. Section 476. This Request for Proposals is open to all qualified, responsive bidders. Indian Preference will apply in the selection process in accordance with the Tribal Employment Rights Ordinance (TERO) or the Indian Preference Act of 1934 (Title 25, USC, Section 47), based on funding source requirements. Questions regarding TERO, and if the TERO fee applies to the RFP, may be directed to the Bad River Band's Human Resource office at 715-682-7111.

Firms or persons applying for Indian preference must provide evidence in its proposal of 51% or more Indian ownership. In addition, the firm or person must provide evidence of structure, management and financing affecting the Indian character of the firm.
