REQUEST FOR PROPOSALS FOR ENERGY PROGRAM EV LOGO ART

Bad River Band of Lake Superior Tribe of Chippewa Indians is seeking proposals through solicitation for original artwork/logo design services for the Bad River Energy Program's electric vehicle (EV) initiative. The selected artist will design an original logo representing the Program's EV initiative, reflecting Bad River Band culture and identity alongside the theme of clean, sustainable energy. Final artwork must be delivered as an 18" x 18" circular design, provided in vector formats, and high-resolution .PNG/.JPG exports. The artist must also provide all raw/native source files used to create the artwork along with a brief written description of the artwork's meaning and symbolism.

Proposals are required to contain the following information: proposed total cost/compensation for the work, proof of Bad River Band tribal enrollment, and a proposed timeline for completing the final artwork if selected.

The Bad River Band of Lake Superior Tribe of Chippewa Indians is a federally recognized Indian Tribe organized under Section 16 of the Indian Reorganization Act of 1934, U.S.C. Section 476. This entitles the Tribe to government pricing and exempts the Tribe from state sales and use taxes and from federal excise taxes. Therefore, price quotations should not include such taxes.

This Request for Proposals is open to all qualified, responsive bidders. Indian Preference will apply in the selection process in accordance with the Tribal Employment Rights Ordinance (TERO) or the Indian Preference Act of 1934 (Title 25, USC, Section 47), based on funding source requirements. Questions regarding TERO, and if the TERO fee applies to the RFP, may be directed to the Bad River Band's Human Resource office at 715-682-7111.

Firms or persons applying for Indian preference must provide evidence in its proposal of 51% or more Indian ownership. In addition, the firm or person must provide evidence of structure, management and financing affecting the Indian character of the firm. Documentation of and compliance with Indian Preference must accompany the proposal.
